LOW	22	23	32	44	53	63	66	65	56	46	33	26

## Getting Around the Lake of the Ozarks

The following are some helpful facts about getting around the Lake, by land and by water.

### **By Land**

The main thoroughfares in the Lake of the Ozarks area are US Highway 54, State Highway 5 and State Highway 52. US Highway 54 and State Highway 5 intersect at Camdenton. US Highway 54 serves the East, North and portions of the South areas of the Lake. Highway 5 serves the West area and parts of the South. Highway 52 connects US Highway 54 to State Highway 5, providing access to the northernmost areas of the Lake. In general, most destinations can be reached from these three roads.

Please note, US Highway 54 and Business Highway 54 (also known as Bagnell Dam Boulevard) are two different roads. Business 54/Bagnell Dam Boulevard provides access to Bagnell Dam, HH/Horseshoe Bend Parkway and the Community Bridge; US Highway 54 bypasses those areas. The Community Bridge, a toll bridge, connects Horseshoe Bend with Shawnee Bend and ultimately Highway 5 on the West side of the Lake.
